Mr. C. G. Bayles  
Buildings and Grounds

Dear C. G.:

Miss Hoover reports to me that some one entered the Women's Physical Education Office and stole keys to the outside door, the pool, room 104, the small closet in room 110, room 4, and the cage. Some intramural medals were also stolen, and the public address system was wrecked.

I would like to ask your advise as to changing these locks so as to prevent the stolen keys from being used.

I will appreciate your prompt attention to this urgent matter.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
