Director of Physical Education & Recreation  
Varsity Basketball Coach  
University of Kansas

Dear Dr. Allen:

I acknowledge your letter of August 29th and will try to do better on answering your correspondence hereafter in order to keep out of the "Dog House" <sup>where</sup> I seemed to have been the other day.

Your letter refers to the condition of the hand rails in the Gymnasium swimming pool. Since the Extension Division suddenly scheduled a Convention right in the middle of our short repair period between August 9th and September 10th we found that we did not have time to perform a major operation on these pipe lines therefore we decided to paint them up and wait until some future vacation time when we would have sufficient time to do the work.

I have this item on my list of repairs and will of course see that it is done at the first opportunity.

Very truly yours,

Superintendent  
Dept. Buildings & Grounds
