Mr. C. G. Bayles,
Superintendent,
Buildings and Grounds:

Dear Mr. Bayles:

We would appreciate it if you will have your men cut the hay on the intramural field (Spencer tract) and stack it at the most propitious time. I have talked to Dell Davidson about doing the job but he is too busy and thinks he will not have time to do it.

We want to at least get out money out of the hay, and if your men can cut it and stack it I will appreciate it.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
