

August 29, 1941.

To the Night Watchman:

Mr. Otto Schnellbacher, of Sublette, Kansas, will use a single cot for a few nights in the gymnasium. It will be only for a short time, not until school begins. Otto does not use tobacco in any form, and I will be personally responsible for any of his acts.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
