Dear Colonel Washington:

I am sending you copies of letters that I have received from athletic goods houses such as Lowe & Campbell and Elliotts of Kansas City, and Snowden Mize of Atchison. You can see there is quite a variance in the prices quoted by the War Department bulletin and the quotations from these firms. And too, they give warning that unless some of this stuff is not ordered soon it may not be had, and even then it may not be had without quite a delay.

I thought these informative quotations would be of interest to you.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
