Mr. C. G. Bayles,
Superintendent,
Buildings and Grounds.

Dear Mr. Bayles:

Remembering our conversation yesterday with regard to a place for the high school boys to play during holidays, I am sending you a couple of radio programs in which I have mentioned the desirability and need for having the high school gym open.

If you think it would help our case any to send a copy of these programs to the Board of Education I shall be glad to do that. I shall be happy to cooperate with you in any way possible.

Very sincerely yours,
