Mr. Charles F. McCreight  
Business Office  
Frank Strong Hall  
Campus

Dear Mr. McCreight,

Last evening when I went to the back of the gymnasium I found a red tag on my car with Offense No. 4 checked on it. This is the offense of parking in the wrong zone.

This fall when I applied for a K.U. license, my secretary asked that I be given the parking zone behind the gymnasium and that, I believe, is Zone 1. My license number is KU1--83. I have been parking in this zone all semester and that is where my car was last evening.

There has been too much indiscriminate tagging recently, and the football boys who do it have been doing more harm than good since persons receiving the tags have come to regard them as nothing at all and tear them up when they find them on their cars.

I feel that some steps should be taken to stop this unnecessary tagging.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
