Mr. Karl Klooz,  
Bursar,  
University of Kansas.

Dear Mr. Klooz:

I acknowledge receipt of your favor of the 25th instant, and I will of course be very happy to cooperate in all the matters that you discussed.

However, I desire to state that I had a call from Bal Jeffrey last Monday asking me to come to Topeka and take luncheon with Dr. Kirkpatrick and him. It was in regard to competitive athletics, and I bought the luncheon. They were interested in helping with the athletic situation and they wanted my advice on some matters.

I did not get a receipt at the Pennant, and I drove my own car. It is impossible for me to get a receipt because I did not know then about the regulation, and I am asking you how this should be handled. In all other matters I will follow your advice as outlined by Richard S. Wyler & Company.

Thanking you for your letter, I am

Very cordially yours,
