Mr. Karl Klooz, Chairman
Finance Committee
Business Office
University of Kansas

Dear Mr. Klooz:

Thank you for your letter of the 7th advising me that the Finance Committee approved the scoreboard with an expenditure not to exceed \$400.00.

I appreciate this very much and I assure you that we will cooperate in every way, keeping in mind the fundamentals of economy, efficiency and service.

I am sure that this board will be in service at least 15 years, which should reduce the cost per year very materially.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
