My dear Dr. Allen:

This will acknowledge receipt of your letter of the 7th concerning the change of exercise fees.

In reply I wish to say that I have referred this letter to the Budget Committee as it is necessary that all changes of departmental or laboratory fees be referred to that committee and approved by the Board of Regents before they can be put into effect. Therefore, it looks as if it will be impossible to put the change of exercise fees into effect this semester.

Hoping that you will find this satisfactory, I am

Yours very truly,
