Content and Method P.E. 3 hrs - Elbel

There also seems some demand for activity courses - I would suggest several 1/2 hour courses to meet three times each week for one hour for 1/2 hr credit. One could take two 1/2 hr courses for one hour credit. Could

- offer,
1. Elem. Golf
 2. Elem. Tennis
 3. Elem and Int Swimming (1/2 each)
 4. Badminton
 5. Recreative Sports.

Miss Hoover does not know of any school where activity courses (not for majors alone) give graduate credit.
