Mrs. Domenico Gagliardo,
1108 Ohio Street,
Lawrence, Kansas.

Dear Mrs. Gagliardo:

I am enclosing an outline of the activities we are proposing for the Summer Recreation Program at the University. Some of our plans are still in the formative stage, but we intend to expand the program we had last year.

If you need additional information I shall be happy to hear from you.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
