Street Dance Will Be Monday

The first street dance of the season, called off last week because of rain, will be held Monday night from 7:45 to 9:45 in the roped-off street in front of Bailey Chemical Laboratories, Dr. F. C. Allen of the department of physical education, said today. It is a part of Dr. Allen's recreational program planned by him and his class in Community Recreation.

The band consists of thirteen pieces, fronted by Russ Chambers, Hill band leader. Members of the band are all former members of Hill bands including Red Blackburn, Louis Kuhn, Clyde Smith, Clyde Byson, Dale Brodie, Clayton Harbur and Russ Chambers. Sidney Dawson, popular Negro vocalist formerly featured with Russ Chambers' band, will sing.

Cornmeal will be sprinkled on the pavement to make it a smooth dancing floor. Benches will be set up along the sidewalk for those who wish to watch.

The dance will be featured every Monday night during the eight-week Summer Session. In case of rain it will be cancelled. The dance is free to everyone with an activity ticket.
