Dear Fellow Faculty Members:

Yesterday at a conference with Col. McMorris he stated that the boys were far behind in their drill. The A-12 officers are giving the two hours of drill over to a study period for the boys on academic probation.

Col. McMorris discussed the possibility of our giving over a part of our physical conditioning period to a drill period. I told him we would be glad to cooperate with them. This is not an order yet, but I am acquainting you with the trend, and trust that you will be cooperative and sympathetic. The chief requisite, of course, is good soldiering.

Very cordially yours,
