Dr. Bert A. Nash,
Coordinator, ASTP,
University of Kansas.

Dear Bert:

When shipments of athletic goods for the ASTP come to the gymnasium we do not want the packages piled in the hall. If you will get in touch with either Mr. Klooz or Mr. Falkenstien they can open the Athletic Office and can put the stuff away. We, of course, do not have access to that office.

If the stuff is left in the hall it may be stolen, and also we have such large forces operating here that it causes a congestion.

Very sincerely yours,
