Dr. Wert A. Nash,  
Coordinator, AST Program.

Dear Dr. Nash:

I acknowledge receipt of your letter this morning regarding daily absence reports which will be picked up daily by someone from Col. McMorris's office. We are glad to cooperate in this procedure.

Your secretary mentioned that I was not present at the faculty meeting this week. I had no notice of a faculty meeting, but I do recall seeing some of the professors going toward what I suppose was the meeting. This was on Thursday about 4:30 when I had basketball practice.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
