Department of Physical Education
University of Kansas

Dear Dr. Allen:

The equipment requests and dealing with the budget of next year has been turned into Mr. DeGroot as he requested. I am enclosing the general repair and need request.

I do want also to add this to the budget - increases in salaries for the staff in the Women's Department. I know those are hard to obtain but I feel we have all given as conscientious service as anyone in the department and are worthy of increases. We may not "crab" about the work we have to do, and in that way are not bothersome to you. But we are on the job just the same. Thank you.

Sincerely,

Ruth I. Hoover
