A big , blond scorings demon named Norm Stewart has made Missouri the Big Seven bellcow as the "igers head into defense of their Big Seven tournament championship Wednesday night at Municipal auditorium.

with Stewart rocketing along at a 26.2 average kharx through MU's first six games, kharx Spraky Stalcip's gang has been more impressive than any tournament team. The Its record won't lift any eyebrows at 4-2, but consider these facts..... 1) Only seven points separate Missouri from a perfect 6-0 figure, and 2 Its average margin of victory, 12.5, would have ranked tenth among the nation's college teams last year.

Lone losses have been to Indiana, Remelyxutvx

18th ranked in the latest AP poll, 78-81, in Columbia, and to Purdue, 58-62,
in Lafayette. Between times, the Ligers have run over South Lakota,

Texas Lech, Illinois, and Laho. MU disposed of the latter, 81-57,

Monday in its tournament dress rehearsal and thus left more than a week to prepare for its opener against the Cornhuskers.
