with consistent shooting by Powell, Stone, Parr and Vicens.

Most encouraging to coach Winter was the shooting of Stone, who in the opener against Texas Tech hit only three of 16 shots. Here he read six of 14, after finding the range late in the second half.

The loss gives K-State a 1-1 reading as they move on to Drake University at Des Moines, Ia., for a Monday night game with the Bulldogs. Indiana now has two straight wins at home as they prepare to meet St. Louis at Bloomington Monday night.
