

Dear Mr. Pierce,

Mr. Mintz has asked me to send you this clipping from our last game. As you see, we did not make out too well. Rolles and Zelek have performed the best for this season's team. Down at the Dixie Classic, Rolles, due to his small size, was quite a crowd-pleaser and made plenty of good newspaper copy. I am afraid that Rolles may be the only outstanding attraction that Cornell may have at this year's tourney.

Sincerely,

*Alan Cameron*
