

Lone State loss was to Bradley, a team which has won only twice in six starts, 67-79, at Peoria. The four victories have been achieved in handy fashion. Carlton was thrashed, 73-60, in the opener. Denver fell, 80-59; Creighton, 100-65, and Drake, 72-53.

Creighton played Wyoming a 72-76 loss earlier in the season. And Drake beat ~~anytime~~ always tough Hamline, 80-79, in overtime. These then, are the most significant Cardinal and Gold conquests. The lashing of Creighton produced a new official Cyclone scoring record. State once reached 102 ~~ago~~ in losing to Stanford in the 1951 tournament, but that game was played under rules experimentation.
