

Bears are achieving balanced scoring under Newell. Forward Larry Friend is Cal's leading scorer after four games with 65 points, followed by McKeen with 61 and Forward Bob Blake with 49.

Newell is still trying to develop depth for conference play, and Guard Gabe Arrillaga and Forward Ev McKeen gave evidence last weekend that they may be ready by January.

The condition of Duane Asplund, reserve center who suffered a knee injury two weeks ago, will not be known until next week. He still has a cast on his leg, and it will be removed in approximately a week.

Preliminary games this weekend find California's unbeaten freshmen facing the USF yearlings Friday and Oakland Junior College Saturday. Both games will be played at the Gymnasium for Men at 6:30 p.m.
