

missed lay-up and lay-up. "

thompson didn't miss many during the final 20 minutes. he banged thru four goals and added six free throws. fact is jayhawk bossman phog allen ~~credits six points with furnishing~~ tabbed him as the difference.

" that boy would be great on any club ", the phogger emphasized. duncan ( chuck, cyclone center who set a school record with 34 points, was great too, but thompson helped him by hitting outside. "

the doctor, who watched his defending tournament champions fall in the first round for the first and only ~~time~~ since 1949, as usual, had considerably more to say, most of it in praise of the cyclones.

" they had a lot of spirit ~~and~~ ~~was~~ which i credit bill strainngan ( i-state's new coach) with installing. they were sharp and aggressive. and they played like pros in drawing fouls.

" our boys just showed their youth. they tied up and couldn't go. johnson ( lew, ku center ', was slow getting back on defense. beside that duncan, with his experience, was just too courtwise.

" dobbs played well but dribbled too much, instead of passing off. they beat us to death under the boards. they deserved to win because they out-hustled us .

" but i don't feel terribly bad over the loss . we'll just put it down to experience. "
