with its soloing guards, lester lane and  
jimny peck dropping to their lowest dual point production of  
the tournament ... an aggregate of 18... oklahoma lost third  
place to iowa state, 64-71, in the first game.

park, ~~wdgtnxtightly~~ wedging tightly under  
the boards for every one of his seven seven goals, led mu's charge  
with 24 points . but he drew capable aid from ~~g~~ his frontline  
mate, norm stewart, who nailed 18; ~~xx~~ center bob reiter, 15, and  
guard red reichert, 12.

~~ststs, xmsenwhitex, veouidvx~~ one reason for  
the bengals  
~~xxxx~~ huge total and sharp percentage was that they never had to poke  
from outside, so, ~~nifitilly~~ did they unfurl their pattern.

state, meanwhile, ~~hitxx~~ could hit only 24-  
percent ~~fmvkhavfielax~~ from the field to fall behind , 28-45, at  
halftime, and could raise ~~thairx~~ its floor average to 30 over the  
entire route. and while the wildcats were ~~missngx~~ missing 53 of  
their 76 shots.... missouri put up only 63.... reiter was ~~politicngx~~  
policing the defensive board for 13 rebounds, the night's high for  
both teams.
