Dear Sir:

I am a graduate of Lawrence Memorial High School, was a member of The Leaders Club, and as a leader I have taught Archery in different Gym Classes.

As to my character and qualifications, I refer you to Margaret Maynard Dart, the high school gym teacher, and Mr. Wherry, Principal.

I would like to secure employment as I want to attend Kansas University; and as I intend to major in Physical Education, I am especially interested in that type of work.

Sincerely yours,
Bernardine Green
