W. P. MARSHALL, PRESIDENT

lovellette was banished with 3:03 left on the clock and the kansans holding a 72-61 margin, but ~~the frenchman~~ the huge frenchman, who collected 26 points along the way, apologized to every bengal in sight after the game, but the crowd maintained its <sup>post-game</sup> volley ~~after the game~~ despite speeches from ~~oklahoma coach~~ oklahoma coach bruce drake, nccaa rules committee chairman, and tiger tutor spraky stalcup.

the ~~scraping~~ scrapping tigers pressed the victors from the outset, persuing from a range of 3 three to five points until midway through the final quarter. thanks to ~~leaping~~ leaping pitches from the outside by center ball stauffer, and ~~willfong~~ willfong and ~~landolt~~ landolt, ~~ma~~ crept within two points, 42-44, at one juncture in the final period, but never could quite haul abreast of the torrid shooting jayhawks. ku hit 30 of 72 pegs from the floor for a 42-percent average, against 35 for the ~~tigers~~ tigers.
