Dear Dr. Allen:

If you recall when you were down last spring and talked to us at our Basketball Banquet.

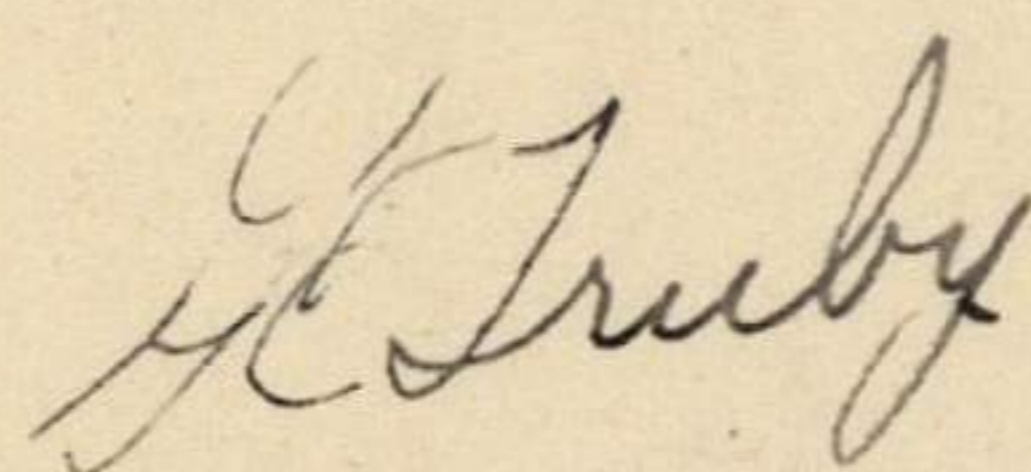

We were talking of your latest book that you suggested that I sent directly to you and receive a personally autographed copy.

I know the boys would appreciate your doing this for them.

I have had several occasions to recall this splendid evening we had together last spring. I trust I may have the privilege of associating with you again in the near future.

With best wishes and kindest personal regards I remain,

Sincerely yours

G. E. Truby
