

and have won 49 of them. We have produced 12 regional champions and have placed several more. Three times we have won the Cimarron Valley championship, and twice we have been in the Northern Conference championship run-off. Seven of my boys have placed in the state wrestling meets. This last season we had one all-state champion and placed fourth as a team. Besides coaching wrestling, I coach track, have charge of all intra-murals at the North High School, and also assist in coaching football. I have been director of Stillwater's free public summer playground programs the last three years.

I belong to several civic and professional organizations, among them, the Junior Chamber of Commerce, the Senior Chamber of Commerce, Lions Club, Oklahoma Education Association, Oklahoma Coaches Association, Oklahoma High School Athletic Association, and the National Recreation Association. I am thirty years old, happily married, and in splendid health.
