

As he stepped up to the line for the two attempts to score, the weight of the game rested on his shoulders. That realization, coupled with the fact that there was so much booing by spectators that the boy was practically knocked over by the blast, was just too much for his nerves and both shots were bad.

Johnnie Stecz and Jack Eskridge scored five points for the Bears while Lafayette was scoring two in the overtime.

To give credit to any one boy for the victory would be a crime against conscience. Perhaps the way that Coach Huhn put it serves better:

"Three of the boys, Stecz, Titus and Eskridge, played perhaps their best ball of the season," Huhn said. "But all of the boys knuckled down to real work when the odds were against them, and to all nine men should go the credit."

Stecz was high for Chrisman with twelve points. Eskridge collected seven, Titus seven and Reagin and Reavis two each.

The second team game saw the Skinner twins, Robert and Roger, dominating the scoring for Chrisman as the Cubs won 26 to 18. Roger Skinner scored nine points while his brother, Robert, was counting six.

Chrisman's season record now shows three victories and a pair of defeats. They have lost to Rosedale and Central, but have won from Southeast, Turner and Lafayette.

Friday night the Bears play host to Rockhurst High, the team which Saturday night bowed to Northeast 23 to 25 in an overtime.
