Dear Mr. Robnett,

I have received no reply from you regarding your desire for a copy of my text, Better Basketball. I have kept your money order for \$1.00 and am wondering whether or not you plan to send me the additional \$3.00 for the book.

If you have decided that you do not want a copy of Better Basketball, I will send your money order back to you. I would appreciate an immediate reply regarding this matter.

Sincerely yours,
