Dear Mr. Robnett,

I have your post card dated November 15 and your money order for \$1.00.

As you understand, the book costs \$4.00 and by sending you the book C.O.D. it will cost you an additional 26¢. I am desirous of saving you that much money so I would like to suggest that you send me the additional \$3.00 and I will mail you Better Basketball post-paid.

I will be glad to autograph your copy and if you would like any special thing said in the autograph I will be glad if you will indicate it. It will be a pleasure for me to send it.

Better Basketball contains the very best materials that I could gather. It has 163 photographs and 86 diagrams together with information on training and conditioning, treatment of athletic injuries, bandaging, emergencies, etc.

The book also contains the "Tales of Yesteryear" which are experiences of our Varsity when they met opponents who were expected to win the game, but with a stroke of good fortune and a bit of strategy we turned the tables and won the game. I have written these stories so as to stimulate youth to greater and finer endeavor.

With all good wishes I am

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
