Forrest C. Allen,
Coach University of Kansas.
Dear Sir,

We are trying to get a selection of a few good books on basketball, by the great teachers of the game, for a sports library in our high school. Having no funds for this purpose I wonder if you have one of your books "Better Basket Ball" that you could autograph and contribute to that collection. We will pay the postage.

If you happen to have one used book we will be very proud of it, our aim is to teach more and better fundamentals to our players. Coaches in this section ~~will~~ praise your book and I hope we might obtain one of them. Please help us if you can. Wishing you a greater season for next year. Thanks

Cordially Yours
J. Howard Collett
Coach at H, M, H, S.
