Dear Mr. Allen:

Twenty six years ago I played on the St Marys College Kansas team under E C Quigley and J McLaughlin.

Consequently I go back to my early days for inspiration at the old stamping grounds or near it.

Please send me an autographed copy of your Better Basletball. I'm taking over the early practises until we get a coach and things moving.

Enclosed please find my personal check for the book. It wont bounce.

Sincerely

*Joseph A. Luther,*

Dean of Men

P.S I bought and used your Basketball Bible 17 years ago to develop a champion high school team among Sioux Indian boys on the Tosebud Dioux Reservation S Dakota.
