Rockmart, Georgia.

Dear Coach Clements:

We have a basketball film called "Modern Basketball Fundamentals" which was filmed by the Eastman Kodac Co. I show this film to my basketball boys each year and feel it contains very valuable teaching techniques.

This film may be rented from the University of Kansas Extension Division or you may be able to secure it from most any University of College Extension Division. If you are interested in renting the film from our Extension Division you may write to Mr. Fred S. Montgomery.

I am very happy to know that you are reading "Better Basketball." If you have any questions on the book at any time it will be a pleasure to hear from you.

Thank you for your kind words in regard to the Coaching Clinic.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
