Dear Coach Allen:

Can you give me any information on any sources of motion pictures showing basket ball technique and fundamentals? I would like to show some films of this type to my team.

I am now reading your book, "Better Basketball," and find it very interesting and profitable. It was my pleasure to attend the basket ball clinic that you and Coach Mundayff conducted in Atlanta in August. I feel that that clinic will make for better basket ball and more spectator interest in this section.

I will appreciate any information that you can give me in regard to the films mentioned above. Thank you very much.

Yours truly,  
Hal W. Clements
