Mr. J. W. Skidmore,
Bronson, Kansas.

Dear Mr. Skidmore:

Thank you for the \$4.00 for the book, "Better Basketball", which we are mailing to you this morning, duly autographed. I trust you will enjoy it.

It was good to see you Saturday, but I was worried about your very bad cold. I hope that it doesn't prove to be serious and trust you are well on the way to recovery.

It was good to have you here.

Sincerely yours,
