Dear Phog:

Thanks very much for the copy of "Better Basketball" which arrived yesterday afternoon. I know its the last word in this sport at the present time and thank you very much for having thought of me.

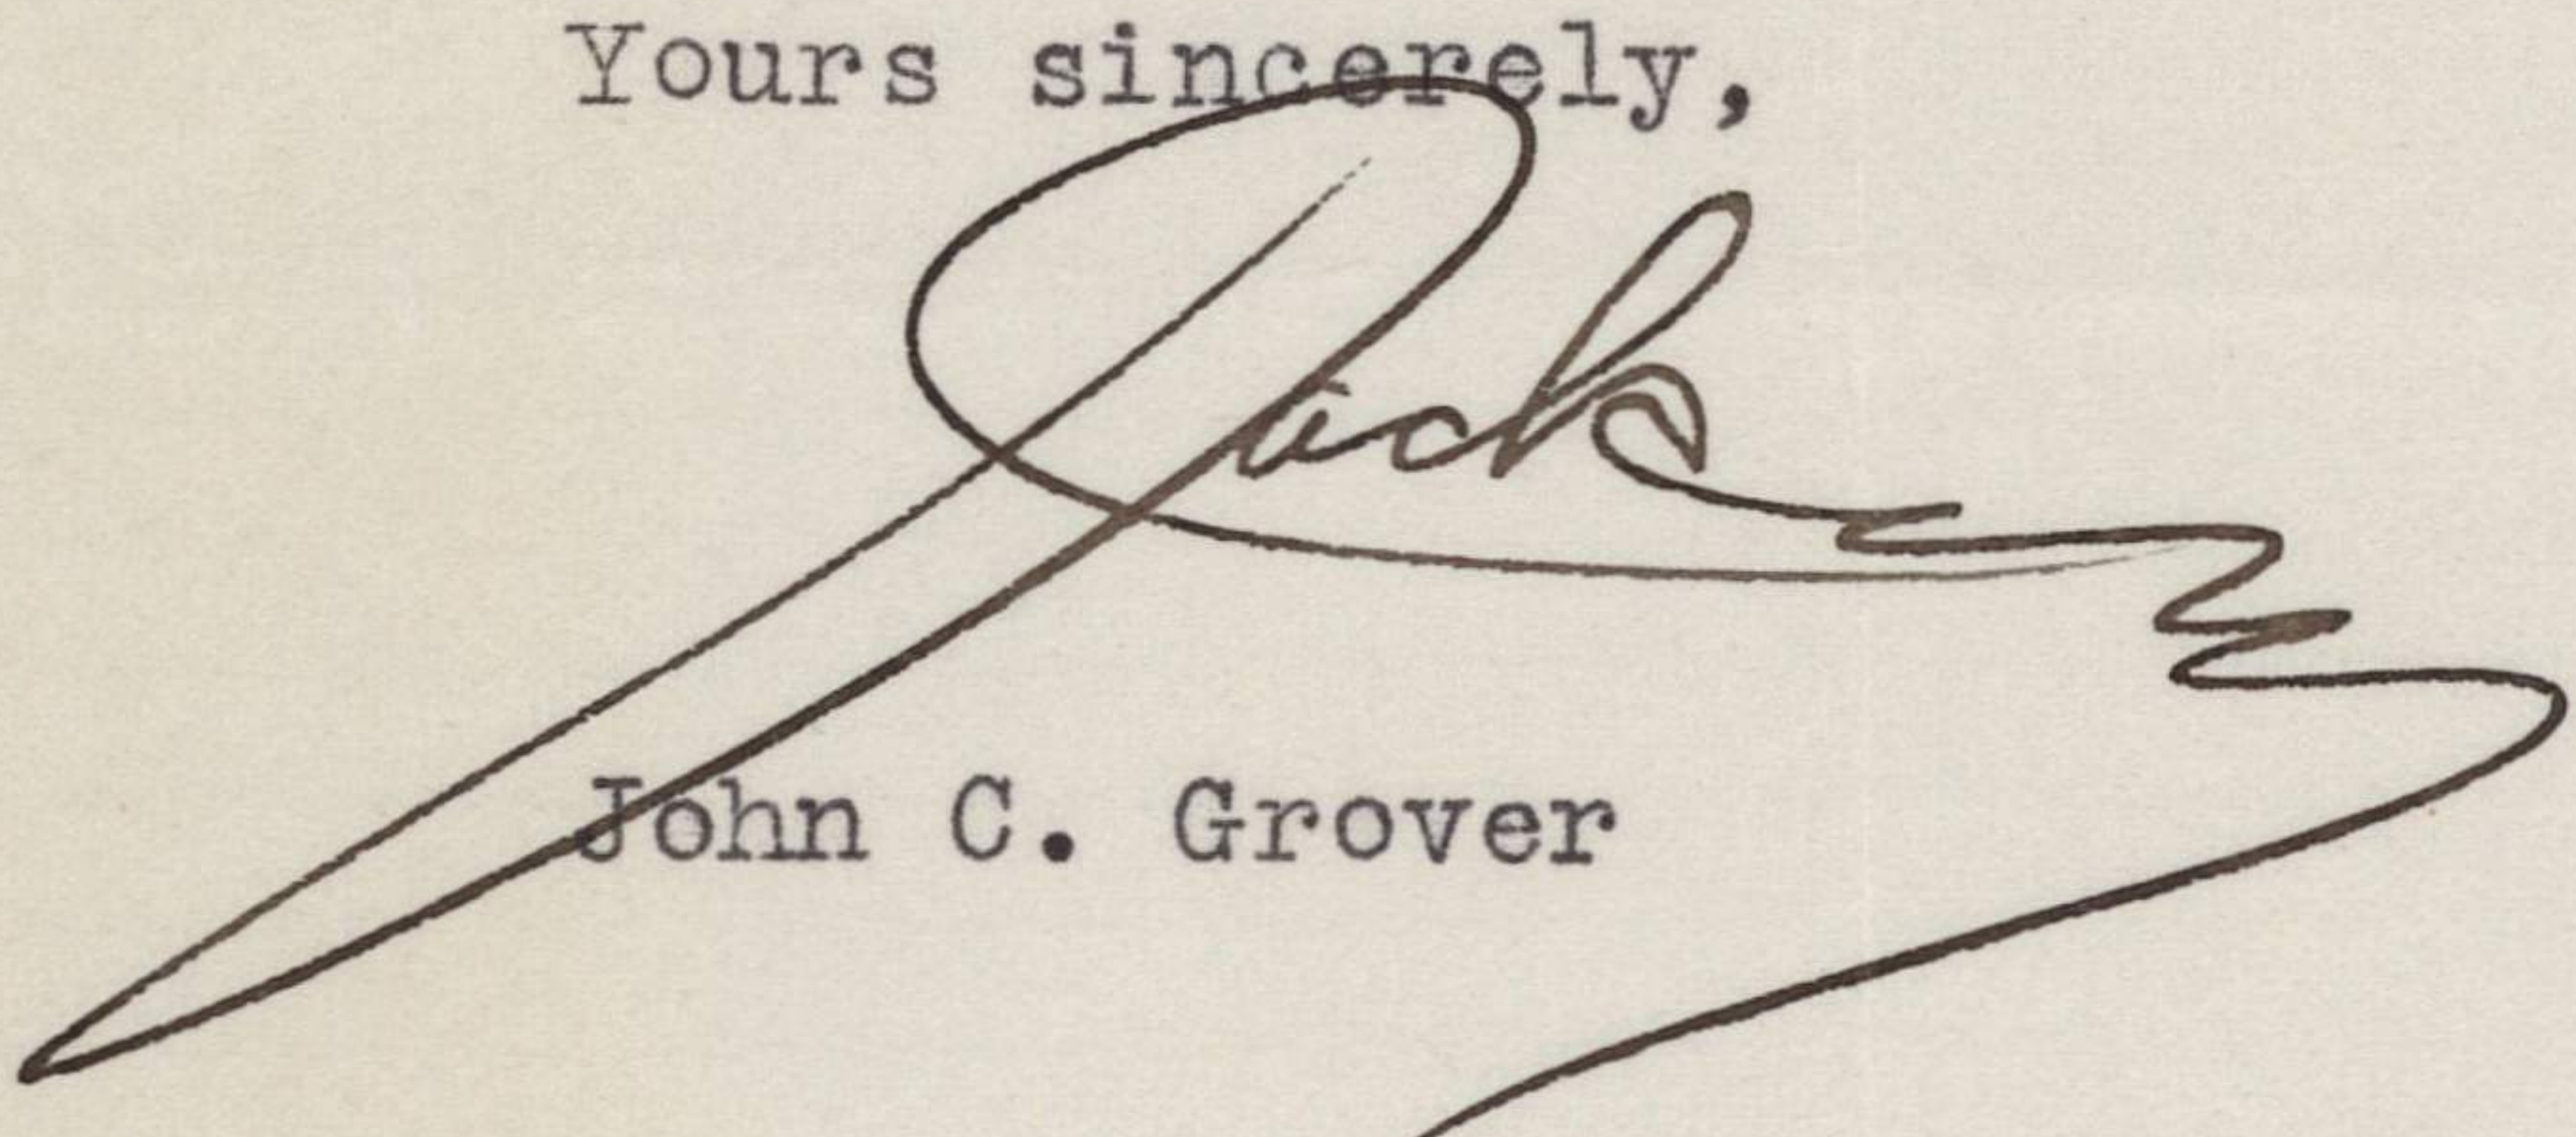

We were so glad to see part of your family at the Missouri-Kansas game Thanksgiving. Both you and Mrs. Allen looked young and well.

I am in receipt of the Stanford Daily under date Friday, December 3, announcing in scareheads that John Bunn has been elected Dean of Men at Stanford. This is quite a boost for John, and you also had much to do with John's preparation for this important place.

Again, thanks and best regards.

Yours sincerely,

JCG/HH
