Dec. 13.

Dr. Forrest C. Allen,
University of Kansas,
Lawrence, Kans.

Dear "Phog":

Just received a copy of your book "Better Basketball" for which I am deeply appreciative. While I haven't had an opportunity to read it entirely, a quick survey convinces me that it is something all students of the game will need and which will be interesting to the average fan.

Some of these days when I'm short on ideas, I know now exactly where I can get help.

Sincerely,

Wesley Smith
