Dear Fog:

I received a copy of your fine basketball book and had a brief review in my column this morning. Enclosed is a copy.

It was perfectly okay to have the correspondence about your game, although McGrane serves as manager of the school. He doesn't get into action on it until after the football season is over and it was up to me to arrange the game and some of the early details.

I am glad to hear that you are arriving early and that we will have an opportunity to have some visits with you.

With kindest personal regards, I am

Sincerely,
