My dear Phog:

I have received a complimentary copy of your book entitled "Better Basketball" from your publishers, and want to take this opportunity of congratulating you on the splendid piece of work you have done.

I thought you would be interested to know that I have passed on to them a letter, copy of which I am enclosing, which I hope may stimulate sales for your book.

With sincere good wishes to you, Mrs. Allen and the members of your family for a Merry Christmas as well as a successful basketball season, I remain

Cordially yours,

NAT HOLMAN
