ROBIN McGEORGE  
MANAGER

At their meeting in Chicago Sunday  
but I was very much interested  
in seeing the Big 6 be the first big  
Conference, <sup>in the U.S.</sup> to adopt Bask-o-hite  
and hoped they would do so Saturday.

You might reckon on them along  
that line that they would be first

Looking forward to seeing you  
Saturday

Yours truly  
G. L. Cory.
