Professor Raymond Lawrence,
Department of Journalism.

Dear Professor Lawrence:

The enclosed is a sample of the letter that is going out to all varsity basketball players, as well as freshman players, informing them that although they are eligible to participate according to the Big Six regulations, Kansas basketball tradition has required the participants to be up in all of their work before they may participate in either varsity-freshman or varsity competition.

We have just checked with the College Office and find the following boy has an unsatisfactory grade in one of your classes:

Newspaper in Sociology - [REDACTED]

This is merely to inform you that we expect our boys to be fully eligible and passing before we desire to take their time away from their studies for game practice.

Thanking you for your patience and cooperation,
I am

Sincerely yours,
