Dear Ruth:

I am happy to have your letter of December 3 and I am glad that you returned from your Thanksgiving vacation in ship shape.

I am glad that you took the train ride and were able to see the thing in the right light. I quite agree with you that if you do not plan to teach much longer that it would be better for you to remain in the position that you have. We would have been very happy to have you here with us, of course, as I am sure you are a very superior teacher.

I saw Dr. Don Carlos Peete the other day and when I told him that I had received your letter and what you said, he was greatly surprised. He had talked with Dr. Welker and Dr. Welker had told him that he had advised you to take the job; that he thought it would be good for you. But you know me, Ruth, I want you to do the thing you want to do, and that is what you are doing.

I got a letter from Elizabeth MacCurdy and I am inviting Leigh and Elizabeth to be our guests at the game on the 28th in Madison Square Garden. We wish that you might be with us.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
