Dear Dr. Allen:

I am very anxious to get the proper set up to make this a good tournament. Due to your wide acquaintance among the basketball coaches, I am wondering if you would make some suggestions as to some outstanding teams who might be interested in coming.

I know exactly how you feel about not coming into this tournament unless we have some outstanding competition for the Kansas University team.

I am writing Nebraska to see if they might be interested, and also Missouri. If you have any other suggestions, I would certainly be glad to hear from you as soon as possible.

I feel that if we can get either Nebraska or Missouri or some other outstanding team with Kansas University, then our tournament would be made.

Hoping to hear from you soon, I am

Sincerely yours,

Dee Erickson
