Mr. Forrest C. Allen, Director  
Physical Education and Recreation  
University of Kansas  
Lawrence, Kansas

Dear "Phog":

I appreciate your letter appertaining to Basketball and feel that it would be better for us to play you a single game on December 28, because that date permits us to play the 26th in Colorado and possibly the 29th or 30th in St. Louis if we care to do so.

Our Board is like any Board, I presume, interested in the exact number of games to be played as well as the guarantee. While we would probably last only one game in the tournament, there is no way of knowing what guarantee will accompany the schedule when presented to the Board.

Therefore, let's tentatively agree to play somewhere in Kansas, December 28th with the University as our opponents. It would make no difference to us what place it was played, as long as, the facilities are satisfactory.

Sincerely yours,

Ben F. Van Alstyne  
Coach of Basketball
