Dear Dean Swarthout:

I am sending you herewith the names of boys who are members of the varsity and freshman basketball squads who are enrolled in the School of Fine Arts.

We are planning a clinic basketball game between the varsity and freshman teams on the evening of November 24th as a part of the Homecoming program. I have a regulation that no basketball player, either varsity or freshman, may participate in this game who does not have an average of "C" in his class work.

I would appreciate it if you would give me, at your earliest convenience, a check on these students. Since the game is only a little more than a week off we desire to pick our personnel for the two teams.

Your kindly cooperation will be greatly appreciated.

Very sincerely yours,
