Every year two or three writers come down and take some pictures and shoot stuff and I never know where they try to sell their wares, but they are always shooting pictures so I did not expect much to come out of it.

Mrs. Allen and some of our daughters may accompany us on our trip east. They are counting their nickels but they have not made a decision yet. Please let me hear from you soon.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
