Mr. Ned Irish
Nine Rockefeller Plaza
New York, New York

Dear Ned:

A young man by the name of Fritz Smith, of the Phi Gamma Delta Fraternity, who is one of our students here at the University, desires to purchase two tickets of the \$1.60 variety for our game with Fordham. Will you please have your secretary write him and tell him how he may procure these.

I have had a good many inquiries and I have given the information from the schedule which you enclosed in your letter.

I would also like to inquire regarding tickets for the players. I know that we will want quite a few tickets and I am wondering if we should not make reservations now before the best ones are taken. Of course, we expect to pay for them, but we should like to make early reservation.

Thank you for sending me the information regarding the games that are to be played on December 26. I am counting now on getting into New York and taking in these games, and I can say now that we will be glad to work out between halves if we arrive. Our itinerary is not definitely made, but we are hoping to see the games on the 26th.

Will you please let me know if our publicity department is functioning? I immediately gave to our publicity man the information that you set out in your letter of the 2nd. I would like to know if everything is coming through okay.

Do you hold tickets that are reserved up to any certain time? There are many of our people who will be in New York Christmas week and I should like to have the information to pass on to them.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
