Mr. F. C. Allen, Director
of Physical Education and Recreation.
Department of Physical Education

Lawrence, Kansas

Dear Mr. Allen:

Thank you for your letter of July 6th regarding your basketball team's visit in New York next season.

I trust we may have your favorable consideration and Hotel Piccadilly may be considered your New York headquarters. In my letter, I meant to convey that the reason we decided to set aside a special floor for the basketball teams, was for their comfort and rest, not because they were noisy. Perhaps you can realize that many people that come to New York, come for a good time and stay up late, and the team managers are anxious to have their players in a quiet section of the house.

The writer had the pleasure of running the Hotel Lassen in Wichita, Kansas from 1935-1937 and he is especially interested in welcoming Kansans to this hotel.

For you, Mrs. Allen and your daughter, we are pleased to offer a suite, complimentary. We feel sure you would approve of our fine facilities and you will find the Piccadilly a happy choice as headquarters.

I trust we may hear from you at a later date when your plans are more definite, and shall look forward to the pleasure of welcoming you and your family, and serving your basketball team at our hotel.

Cordially yours,

Roy Moulton
