Mr. Roy Moulton
Managing Director
Hotel Piccadilly
New York, New York

Dear Mr. Moulton:

We have your letter of the 14th instant, but as yet we do not have our itinerary definitely made out.

We plan to get in touch with the railroad people tomorrow and complete our itinerary. As soon as it is completed we will send you the time of our arrival.

Tentatively I would say that we will arrive on the 26th of December. Mr. Ned Irish has given us permission to work out in the Garden on that date.

You will hear from us within a short time regarding the exact dates.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
